

EAST CENTRAL NORMAL TO HOLD SCHOLASTIC MEET THIS WEEK

LEADING SCHOOLS COMPETE AT ADA

Best of Eastern High Schools Entered in Seventh Annual Contest.

MEET IS ON PRE-WAR BASIS

Indications Are That Largest Number of Athletes Will Be Entered.

Times in the World.

TULSA, Okla., April 14.—With the sixth annual interscholastic track and field meet just a week away, officials have been some of late on the athletes in the schools and on the students going to it. The very favorable conditions to provide for the games competition that is certain to be seen in the East Central games April 18 and 19.

The track has been established again on the same course that was used in the first two meets in 1917 and 1918. It is a quarter mile track and every half of it can easily be used. Most of the action will occur on the north side of the field. The starting line will extend from the west on the north side of the track. The weight rings and jumping areas will be located just out of the building in the northeast part of the track and just to the rear of the bleachers. The new hurdles have been added to the track equipment.

Week Later This Year.

From the number of injuries that are being received daily by Prof. E. C. Wilson, manager of the meet, it is evident that the time is to get in the best shape before the games. The meet will open a week later than usual, but it is believed, will afford a better opportunity for the schools to compete on the athletics.

Most of the schools in Pontotoc county little is known of the activities of any of the high schools in sports. In Pontotoc county, however, there are two schools, Ada and Jeff, high schools that are making a special effort to compete in all sports.

Ada, with Coach Schenck, former Purchaser, is working hard to develop a number of cinder paths and fountains. His men ate about light except Kere, who is showing up well with the weights. M. Hoff, Coach Davis promises to continue the census in track that he started in basketball. His mainstay will be Washington, Toliver, and Dixon. Shawnee high school, under Coach George Miller, Hollingshead, is purchasing. Southard, Davis, Rainey Valley School for the Deaf and Pentz Schools outside of the eleven schools comprising the East Central normal district are not permitted to enter. In former years as many as 16 entries from schools outside have been returned and their entries forwarded, this being a meet only for the schools of this district.

As soon as the ball will start to roll, the affair will be off. At 1 o'clock the preliminaries in baseball, basketball, tennis, cradling and piano will start. At 2 o'clock the trials in skating and piano will be held. The contest in golf, archery and chorus will also be held at this time as will contests between boys and girls. Saturday morning will see the final basketball, basketball, tennis, tennis and golf. The games will be held in the library. The gun for the second dash will be heard in a week on Saturday and the athletes will be off in what promises to be another real track and field meet.

A. E. F. GRAPPLING AND BOXING FINALS START

Several Athletes, including Gene Delmont, are buried by Director Because of "Cold Feet."

TULSA, April 14.—The first week of the American Expeditionary Forces' training and wrestling finale at the English Park furnished some fast nose sport. It also developed some of what choice Johnson, the A. E. F. athletic director, terms "cold feet" resulting in the bailing of several athletes and withdrawals from future bouts in Europe after the departure of the A. E. F. and the elimination of some prominent contenders for titles. Gene Delmont and Knockout Johnson are among those players under the ban of the army authorities.

The heavyweight category has shown more class than any other.

Heavy regulars of Brooklyn and San Francisco's Negro fighters from Lupton, Mo., are in the opinion of the experts two boys capable of giving a stiff argument to any one in the heavyweight division.

Knockout Johnson has also withdrawn, but his retirement is not been committed upon by General Johnson.

TODAY IS ANNIVERSARY OF JACKSON-MENDOZA BATTLE

John Jackson defeated Daniel Mendoza in nine rounds at Hornchurch, England, 124 years ago today, April 15, 1895. In this historic contest Mendoza, the Jewish "Star of the East," at last met his master, and the first Hebrew champion went down to defeat in a battle lasting only 10 1/2 minutes. Jackson was popularly known as "Gentleman" Jackson, the English title he earned for three years when he retired to England to take him to his boxing school. He brought along on competent boxers and no worry over the man who takes up the pitching burden is felt.

TOM SHARKEY KAYOED JOE CHOYNSKI 23 YEARS AGO

It was 23 years ago, come tomorrow, that Tom Sharkey knocked out Joe Choynski in the eighth round at San Francisco. Those who saw this contest will never forget it. Tom was a raw rascal "tar" just out of the navy, and with no reputation whatever, he was a wild and veteran boxer. Tom Sharkey had the advantage in height and reach, but the Irishman was the heavier of the two.

The sailors in San Francisco went hook-line and sinker on Tom, while the wise sports covered every cent offered, confident that Joe could make a monkey of the sailor.

Brandom signs with Dallas. —DALLAS, Texas, April 14.—The Dallas club of the Texas baseball league today announced that it had signed Pitcher Chester (Chick) Brandom, former National League player for this year. Brandom had been out of baseball for a year.

"BUSINESS AS USUAL" SAYS BASEBALL COURT

Decision in Favor of Baltimore Fed- erals Does Not Affect System of Organized Baseball.

Tulsa, with all its enterprise in dangerous fields, is safely known in the public mind as a place of safety in comparison with other cities. The writer is in receipt of a letter from a tennis player of this city, inquireing as to the possibilities of net play here during the coming summer.

The members of the schools in Pontotoc county little is known of the activities of any of the high schools in sports.

There are two schools, Ada and Jeff, high schools that are making a spe-

cial effort to compete in all sports.

Decision in Favor of Baltimore Fed- erals Does Not Affect System of Organized Baseball.

CINCINNATI, April 14.—In a statement issued by the national baseball commission here today, the announcement of baseball announces that the decision of Judge Stafford at Washington in the suit of the Baltimore Federal League has not necessitated any modification of the system under which organized baseball is operating and advises all clubs and players that business will proceed as usual and that all legal contracts must be lived up to by the parties to them.

The statement follows:

"The decision made by Justice Stafford that organization baseball is not a separate entity from the national association of baseball is not rendered in a suit by the United States to dissolve the combination. The decision therefore necessitates no modification of the system under which organized baseball is operating. The system has been under the public eye for many years. Great improvements depend upon its continuance. The government of the United States has not challenged it on the complaint when the attention of the department of justice was specifically called to its system and its operation the department decided that no reason was perceived for the governmental interference."

"All clubs and players are accordingly advised that business will proceed as usual and that all legal contracts must be lived up to by the parties to them. In rendering his decision, Justice Stafford intimated that the important questions of law involved in it should be passed upon by a higher court. Our attorneys have accordingly been instructed to take an immediate appeal."

The cost of building municipal tennis courts and one golf course would be more than justified in the sport and recreation it would provide.

Many athletic playgrounds or outdoor sites have been suggested in every way. The cost is small charging a few cents for playing privilege they could be almost self-supporting.

What do you think about multi- ple golf links and tennis courts, Mr. Sportsman?

What is the difference between a couple and a judge?—Imagine. A couple has had military training.

Arthur "Dutch" Strauss, former Phillips University football star and Oklahoma collegiate fullback in 1917, has been named the coach of the Phillips after several months' over service. Cappion, a brother-in-law of Matthiessen, and one of Michigan's greatest scholastic halfbacks is also stricken at Phillips.

Alexander and Maranville Return to United States

NEW YORK, April 14.—Grover Cleveland Alexander, crack pitcher of the National League, was among the soldiers who returned home today from overseas on the Roanoke.

Another star of the diamond arriving today was Walter "Rabbit" Maranville, sharpshooter on the Boston National, who came into port with the Atlantic fleet. He was a coxswain on the flagship Pennsylvania. He received his discharge papers before leaving the ship.
